Tribute

**CROHN'S &  
COLITIS UK**

Losing a loved one can be overwhelming, and no one can take away the grief and loss you feel. However, cherishing and remembering their jokes, quirks, stories, and passions is a beautiful way to keep their happy memories alive.

### What is a Forever Loved Tribute?

Crohn's & Colitis UK has partnered with **MuchLoved**, the leading tribute website that allows you to create a personalised space dedicated to your loved one's memory.

### Why set up a Forever Loved Tribute?

- It's your place to go and be with your loved one's memory whenever you need it
- It's a unique space for family and friends to come together and stay connected
- It's free, simple and will be there for as long as you want
- You can choose to donate or fundraise for Crohn's & Colitis UK in honour of your loved one

## Remember

Light a virtual candle to burn on a special day, or post virtual gifts, thoughts or memories whenever they're on your mind.

## Make a life-changing difference

If you're considering hosting fundraising events inspired by your loved one, you can set them up in your Forever Loved Tribute and share a special link with friends and family. You can also include any existing fundraising pages to bring all the donations you've raised together. Seeing your Fund grow can be so rewarding, keeping your loved one's memory alive for you and all those who were close to them.

You can also choose to make donations, for example, to honour anniversaries, birthdays or other important dates.
